

CREATING FUTURES BENEFIT & SILENT AUCTION

To supporters of the adoption-foster-kinship community,

We are excited to announce our annual benefit, **Creating Futures Benefit & Silent Auction** returns to downtown Cleveland, Pickwick & Frolic, on September 14th, 2024. All proceeds from the event will go to Adoption Network Cleveland and benefit our mission to **connect and empower** individuals, organizations, and communities impacted by adoption, kinship, and foster care, and **provide a source of healing for those in need.**

During our 2023, our 99 volunteers, together with a dozen staff members, facilitated services and programs supporting over 1,500 individuals, children, and professionals connected to the adoption journey. Our programs continued to expand to respond to our served community members' otherwise unmet needs.

Individual members, donors, corporate partners, foundations, and proceeds from our annual benefit ensure our programs and services can continue to provide resources and support for youth and families; ensure a staff member is available to answer our helpline, and to facilitate support groups and gatherings; and to host fee-free educational programs, speakers, and trainings that feature regional and national experts.

This year's event will capitalize on the venue's ambiance, including its martini bar with a James Bond theme, live jazz performed by popular band, Swingbone, heavy hors d'oeuvres, complimentary valet parking, and an exciting silent auction!

We hope you will be a part of this special evening which funds our mission and outreach. If attending the event is not an option, we hope you will consider making a donation or becoming a Corporate Partner to sustain our critical work.
